*W*e started the magazine looking for our own platform more or less and we took the attitude of build it while we fly it. And every month the magazine has changed or website or the concept or something... And its kind of happened again but this time it feels like we finally got some clarity.

For now we decided to become a local magazine and highlight Dallas and all it has to offer. So this is our first attempt hope you enjoy!

A dimly lit bar with shelves of liquor bottles and a person's legs in the foreground. The bar is well-stocked with various bottles of alcohol, including brands like Berfeld, Magellan, and Dognubio. The lighting is warm and focused on the bottles, creating a sophisticated atmosphere. In the foreground, the legs of a person sitting at the bar are visible, wearing a dark dress and a bracelet. The overall scene suggests a high-end dining or drinking experience.
