MARIE
MADDORE

Apr 2022 | VOL 10

from *the* *EDITOR*

Would you believe we're at vol 10! Unreal. To celebrate the occasion, we decided to release A&D's first special edition of the magazine. This was definitely a huge milestone for us, and everyone seems really excited about the magazine everywhere we go. Also more and more businesses have started reaching out to work with us. And we already got some awesome shoots lined up for next month as well.

For this issue, the Dallas speakeasy Truth and Alibi graciously let us have free reign over the place and we made good use of it. We got some great shots of Marie, but what am I telling you for, go check it out!

Deon Casey, CEO and Editor in Chief

A black and white close-up portrait of a woman with dramatic makeup, including long, dark eyelashes and large, ornate earrings. She is wearing a sparkling choker necklace and has her hands framing her face. The background is blurred with bokeh lights.

The image depicts a dimly lit, opulent interior. In the upper left, a large, multi-tiered chandelier with numerous small, sparkling lights hangs from the ceiling. Below it, on the left wall, is a small, square-framed portrait of a person. To the right, a large, ornate mirror reflects part of the room, showing a tufted chair and a person's legs. The person's legs are the central focus, wearing sheer fishnet stockings adorned with small, sparkling rhinestones. The background features dark, patterned wallpaper and a large, dark, ornate chair. The overall atmosphere is mysterious and elegant.
